

NWASL Team rep meeting

Tue. Nov. 26th 2007

Welcome Team reps;

- This league is here for players to have fun playing, not get hurt.
- Updated handbook is available on line for all players
- Team reps duty's are out lined in the player handbook
- Each team rep is responsible for signing a seasonal team rep contract

Sportsmanship points;

- Last season's sportsmanship points weren't very good.
- They are posted on line and teams need to have better conduct.
- The new sportsmanship program is in affect for this Winter season

Conduct and Referees;

- The referees are at the games for us to keep things safe, remember that.
- We do not disrespect the referees (this is uncalled for)
- We have a new conduct form for every player to sign this season.

Game schedule;

- There are two requirements for getting on the game schedule; 1- turn in your team's registration on time, 2- attend the team rep meeting before the season starts
- We do not guarantee 10 games. We try to schedule 10 games going around holidays, weather and unforeseen circumstances before playoffs.
- Playoffs are a bonus and must be earned with good sportsmanship.
- This season we have 20 teams which means two byes per week (1 per season per team) except for two teams that will have two byes during the season. (the two teams that earned this privilege turned in their registration packet late)
- We divided the teams into two groups of 10 and so you will be playing against those 9 other teams and one cross over game.
- 4 divisions of teams each (=16 teams) for playoffs with 4 teams not making it in

Fields;

- We get to use Arthur Pack until our Feb. 15th game after which our fields turn to baseball.
- We will try to get Dan Felix secured for the rest of our season.
- We are working on a new field out in Marana that is supposed to have its lights ready soon that we may be able to use.
- In the mean time our third field will have to be at Desert Vista (for the first three games of this new season)

Registration;

- Make sure to collect registrations early in your season (Feb) so that you will have your 15 players **mailed** in to the league by Wed. March 12th.
- The registrar will send out a reminder in late January or early Feb for you to start collecting registration for the next season.
- The last league game is March 7th. Don't wait until that game to get money from players. Players can mail in their registration on their own by the deadline, but if we don't have it they are not considered on your roster.
